

When it comes to precision glassware, Nude offers a complete solution for the hospitality industry. Nude is the creator and manufacturer of contemporary glassware.

Launched in 2014, in collaboration with artists and designers, Nude has created collections which pay attention to detail whilst creating something inspirational with a sense of simplicity.

Nude products are made with only one material: lead-free crystal glass, hand or machine-made, that delivers a level of transparency and delicacy unparalleled in the world of glass.

CHILL

The Chill collection consists of a decanter with matching bowls. Elegantly smooth, they are made from the finest crystal glass, sitting on a base of high quality marble which creates both a sense of weight and authority. The marble base is designed to be placed in the freezer in order to keep the products cold, fresh and undiluted.
